About EENET
EENET is a highly respected global inclusive education information-sharing network, open to everyone worldwide. Check out our website at: www.eenet.org.uk

In response to demand, we offer workshops for education practitioners, policy-makers and funders on the theme of inclusive education. The workshops are run through EENET CIC (EENET’s consultancy branch).

PLEASE NOTE:
EENET’s Exploring Inclusive Education workshop is being run twice in Indonesia to meet the demand. You can choose to come to either the first or the second workshop, depending on your availability. The workshop content will be identical at both events.

Workshop aims
• to provide education practitioners with a ‘quick tour’ of inclusive education
• to explore specific aspects of inclusive education in more detail
• to enable participants to reflect on and share their own ideas and experiences.

Workshop content
• A close look at the concept of inclusive education and how we can make it happen in practice.
• Identifying barriers to inclusion and exploring solutions, building on what already exists.
• Using action research as a tool for inclusive education implementation.
• School visit and debrief sessions.
• Methodology for the workshop: participatory activities, group work, using images and photography, one-to-one advice, etc.
• Language: English.

Cost
• £495 (GB pounds), which includes:
  - Full-board accommodation for 5 nights
  - Workshop tuition fees and one-to-one advice
  - Workshop/reading materials.
• Deposit required to secure your place.
• Please read full terms and conditions on the information sheet.
