DOMESTIC VIOLENCE AND MENTAL HEALTH IN PREGNANCY:
Prevalence, detection and intervention

for midwives, health visitors, nurses, GPs, psychiatrists and obstetricians

Monday, 14 November 2005

The day will review the important and neglected topic of mental health during pregnancy, including the prevalence and effects of domestic violence. Various aspects of intervention and treatment, from cognitive analytic therapy, which is starting to be more widely available on the NHS, to pharmacological treatments for the more severe disorders will be discussed.

To be held at: The Wolfson Conference Centre, Hammersmith Hospital, London W12

Registration fee: £100 Doctors, £85 other health professionals

Enquiries: Tel: +44 (0)20 7594 2150 Fax: +44 (0)20 7594 2155
