10 Review of Alternative Care in Thailand

TERMS OF REFERENCE

Nature of Consultancy:
To conduct a Review of Alternative Care in Thailand: Policy to Practice with special focus on Children Affected by HIV/AIDS (CABA).

Work Assignments:

1. Understand extent of all children in alternative care settings, including those in public and private settings, in registered or unregistered facilities, including those affected by HIV, through development of disaggregated data estimates.

2. Conduct an analysis of the drivers behind children being placed in alternative care settings, and whether these are different for children affected by HIV/AIDS.

3. Conduct an analysis of the situation of children in extended family care situations (kinship) and in out-of-home care including residential facilities. The terms #residential# and #institutional# care are used interchangeably for this review and fostering Fostering is defined as care provided by a family that is not related to the child. However, in Thailand, some organizations use the term to include placement and support of the child within the extended family. In this document, the latter is referred to as kinship care.

4. Review of what is needed to reintegrate children in residential care back into families, whether there are particular challenges for children living with HIV - and how this links to social protection (e.g. if the cause is poverty, how can families who are taking children back be linked to potential cash transfer programmes?)

5. Review challenges facing children with special needs (including HIV) who are living in alternative care, and measures being implemented to address those needs.

6. Review and document the legal and policy framework and associated implementation related to different types of alternative care services. This will also include a review of the ability of the responsible agency under the laws to fulfill its mandate on alternative care arrangement for children both in terms of setting up and maintaining standards of care for children in different types of care and identifying all residential facilities - registered and unregistered, and subsequently monitor and oversee them. Existence of, and application of policy / standards related to the following areas will receive particular attention:
   a. Steps to prevent separation
   b. Preference for placement of children in family-based care
   c. The use of institutionalization as a temporary measure, especially for young children
   d. Involvement of children, especially adolescents, in decisions about their placement
   e. Levels of adherence by different types of providers and in different alternative care settings to national health, education, protection, nutrition, and safety standards.

7. Mechanisms in place to prevent and address cases of exploitation, neglect, and abuse.

8. Assess the capacity of Government officials, service providers and local organizations / associations to promote the wellbeing of children in need of alternative care and the capacity to support and monitor that care.

9. Identify good practice and make recommendations for the improvement of procedures and practice in family reunification (where applicable), transfer to kinship, foster care settings or other long-term care arrangements; and
mechanisms to monitor and follow up with children in care settings not directly managed by government authorities.

10. Review the need for building (or strengthening) an M&E system or database that could facilitate the Ministry of Social Development and Human Security better monitor the placement and quality of care of all children in alternative care (public and private).

For each of the study objectives listed above, specificities related to children affected by HIV/AIDS will be integrated into the methodology with support from global technical assistance provided by UNICEF.

Month 1: Consultations with UNICEF regarding the review, initial document review, discussion with selected stakeholders, and planning for scoping exercise.
Months 2 - 3: Scoping exercise involving meetings with key informants and development of inception report to be reviewed and approved by UNICEF.

As such, each of the provinces will likely be visited at least twice, once for the scoping exercise, and once for data collection purposes. (a) UNICEF shall, unless otherwise specified in the contract, make payment within 30 days of receipt of the Contractor's invoice which is issued only upon UNICEF's acceptance of the work specified in the contract.

(b) Payment against the invoice referred to above will reflect any discount shown under the payment terms provided payment is made within the period shown in the payment terms of the contract.

(c) The prices shown in the contract cannot be increased except by express written agreement by UNICEF.

4. **LIMITATION OF EXPENDITURE**

No increase in the total liability to UNICEF or in the price of the work resulting from changes, modifications, or interpretations of the statement of work will be authorized or paid to the contractor unless such changes have been approved by the contracting authority through an amendment to this contract prior to incorporation in the work.

5. **TAX EXEMPTION**

Section 7 of the Convention on the Privileges and Immunities of the United Nations provides, inter alia, that the UN, including its subsidiary organs, is exempt from all direct taxes and is exempt from customs duties in respect of articles imported or exported for its official use. Accordingly, the Vendor authorizes UNICEF to deduct from the Vendor's invoice any amount representing such taxes or duties charged by the Vendor to UNICEF. Payment of such amount to the Vendor in accordance with the terms of the contract shall constitute full payment by UNICEF. In the event any taxing authority refuses to recognize the UN exemption from such taxes, the Vendor shall immediately consult with UNICEF to determine a mutually acceptable procedure.

Accordingly, the Contractor authorizes UNICEF to deduct from the Contractor's invoice any amount representing such taxes, duties, charges, unless the Contractor has consulted with UNICEF before the payment thereof and UNICEF has, in each instance, specifically authorized the Contractor to pay such taxes, duties, or charges under protest. In that event, the Contractor shall provide UNICEF with written evidence that payment of such taxes, duties, or charges has been made and appropriately authorized.

6. **LEGAL STATUS**

7. **CONTRACTOR’S RESPONSIBILITY FOR EMPLOYEES**

The Contractor shall be responsible for the professional and technical competence of its employees and will select, for work under this Contract, reliable individuals who will perform effectively in the implementation of the Contract, respect the local customs and conform to a high standard of moral and ethical conduct.

8. **INDEMNIFICATION**

The Contractor shall indemnify, hold and save UNICEF, its officials, agents, servants and employees, harmless and defend, at its own expense, from and against all suits, claims, demands and liability of any nature or kind, including their costs and expenses, arising out of the acts or omissions of the Contractor or its employees or sub-contractors in the performance of the Contractor's obligations under this Article do not lapse upon termination of this Contract.

The Contractor represents that the liability insurance includes sub-contractors.

(c) The Contractor shall also provide and thereafter maintain liability insurance in an adequate amount to cover third party claims for death or bodily injury, or loss of or damage to property, arising from or in connection with the provision of work under this Contract or the operation of any vehicles, boats, airplanes or other equipment owned or leased by the Contractor or its agents, servants, employees or sub-contractors.

10. SOURCE OF INSTRUCTIONS

The Contractor shall neither seek nor accept instructions from any authority external to UNICEF in connection with the performance of its services under this Contract. The Contractor shall refrain from any action which may adversely affect UNICEF or the United Nations and shall fulfill its commitments with the fullest regard to the interests of UNICEF.

11. ENCUMBRANCES/LIENS

The Contractor shall not cause or permit any lien, attachment or other encumbrance by any person to be placed on file or to remain on file in any public office or on file with UNICEF against any monies due or to become due for any work done or materials furnished under this Contract, or by reason of any other claim or demand against the Contractor.

12. TITLE TO EQUIPMENT

Title to any equipment and supplies which may be furnished by UNICEF shall rest with UNICEF and any such equipment shall be returned to UNICEF at the conclusion of this Contract or when no longer needed by the Contractor. Such equipment when returned to UNICEF shall be in the same condition as when delivered to the Contractor, subject to normal wear and tear.

13. COPYRIGHT, PATENTS AND OTHER PROPRIETARY RIGHTS

UNICEF shall be entitled to all intellectual property and other proprietary rights including but not limited to patents, copyrights and trademarks, with regard to documents and other materials which bear a direct relation to or are prepared or collected in consequence of or in the course of the execution of this contract. At UNICEF's request, the Contractor shall take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring them to the UNICEF in compliance with the requirements of the applicable law.

14. CONFIDENTIAL NATURE OF DOCUMENTS

(a) All maps, drawings, photographs, mosaics, plans, reports, recommendations, estimates, documents and all other data compiled by or received by the Contractor under this Contract shall be the property of UNICEF, shall be treated as confidential and shall be delivered only to the UN authorized officials on completion of work under this Contract.

(b) The Contractor may not communicate any time to any other person, Government or authority external to UNICEF, any information known to it by reason of its association with UNICEF which has not been made public except with the authorization of the UNICEF, nor shall the Contractor at any time use such information to private advantage. These obligations do not lapse upon termination of this Contract with UNICEF.

15. FORCE MAJEURE; OTHER CHANGES IN CONDITIONS

(a) In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the Contractor shall give notice and full particulars in writing to UNICEF of such occurrence or change if the Contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under this Contract. The Contractor shall also notify UNICEF of any other changes in conditions or the occurrence of any event which interferes or threatens to interfere with its performance of the Contract. On receipt of the notice required under this Article, UNICEF shall take such action as, in its sole discretion, it considers to be appropriate or necessary in the circumstances, including the granting to the Contractor of a reasonable extension of time in which to perform its obligations under the Contract.

(b) If the Contractor is rendered permanently unable, wholly, or in part, by reason of force majeure to perform its obligations and meet its responsibilities under this Contract, UNICEF shall have the right to suspend or terminate this Contract on the same terms and conditions as are provided for in Article 16, 'Termination', except that the period of notice shall be seven (7) days instead of thirty (30) days.

(c) Force majeure as used in this Article means acts of God, war (whether declared or not), invasion, revolution, insurrection or other acts of a similar nature or force.

16. TERMINATION

If the Contractor fails to deliver any or all of the deliverables within the time period(s) specified in the contract, or fails to perform any of the terms, conditions, or obligations of the contract, or should the Contractor be adjudged bankrupt, or be liquidated or become insolvent, or should the contractor make an assignment for the benefit of its creditors, or should a Receiver be appointed on account of the insolvency of the contractor, UNICEF may, without prejudice to any other right or remedy it may have under the terms of these conditions, terminate the Contract,

forthwith, in whole or in part, upon thirty (30) days notice to the Contractor.

UNICEF reserves the right to terminate without cause this Contract at any time upon
thirty (30) days prior written notice to the Contractor, in
which case UNICEF shall reimburse the Contractor for all reasonable costs incurred
by the Contractor prior to receipt of the notice of
termination.

In the event of any termination no payment shall be due from UNICEF to the Contractor except for work and services satisfactorily performed in
conformity with the express terms of this contract.

Upon the giving of such notice, the Contractor shall have no claim for any further payment, but shall remain liable to UNICEF for reasonable loss or
damage which may be suffered by UNICEF for reason of the default. The Contractor shall not be liable for any loss or damage if the failure to
perform the contract arises out of force majeure.

Upon termination of the contract, UNICEF may require the contractor to deliver any finished work which has not been delivered and accepted,
prior to such termination and any materials or work-in-process related specifically to this
contract. Subject to the deduction of any claim UNICEF may have arising out of this contract or termination, UNICEF will pay the value of all such
finished work delivered and accepted by UNICEF.

The initiation of arbitral proceedings in accordance with Article 22 'Settlement of Disputes' below shall not be deemed a termination of this
Contract.

17. SUB-CONTRACTING

In the event the Contractor requires the services of subcontractors, the Contractor shall obtain the prior written approval and clearance of
UNICEF for all sub-contractors. The approval of UNICEF of a sub-contractor shall not relieve the Contractor of any of its obligations under this
Contract. The terms of any sub-contract shall be subject to and in conformity with the provisions of this Contract.

18. ASSIGNMENT AND INSOLVENCY

a. The Contractor shall not, except after obtaining the written consent of UNICEF, assign, transfer, pledge or make other dispositions of
the Contract, or any part thereof, of the Contractor’s rights or obligations under the Contract.

b. Should the Contractor become insolvent or should control of the Contractor change by virtue of insolvency, UNICEF may, without
prejudice to any other rights or remedies, terminate the Contract by giving the Contractor written notice of termination.

19. USE OF UNITED NATIONS AND UNICEF NAME AND EMBLEM

The Contractor shall not use the name, emblem or official seal of the United Nations or UNICEF or any abbreviation of these names for any
purpose.

20. OFFICIALS NOT TO BENEFIT

The Contractor warrants that no official of UNICEF or the United Nations has received or will be offered by the Contractor any direct or indirect
benefit arising from this Contract or the award thereof. The Contractor agrees that breach of this provision is a breach of an essential term of
the Contract.

21. PROHIBITION ON ADVERTISING

The Contractor shall not advertise or otherwise make public that the Vendor is furnishing goods or services to UNICEF without specific
permission of UNICEF.

22. SETTLEMENT OF DISPUTES

Amicable Settlement

The Parties shall use their best efforts to settle amicably any dispute, controversy or claim arising out of, or relating to this Contract or the
breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation, the conciliation shall
take place in accordance with the UNCITRAL Conciliation Rules then obtaining, or in accordance with such other procedure as may be agreed
between the parties.

Arbitration

Any dispute, controversy or claim between the Parties arising out of this Contract or the
breach, termination or invalidity thereof, unless settled amicably under the preceding paragraph of this Article within sixty (60) days after receipt by one Party or the other’s request for such
amicable settlement, shall be referred by either Party to arbitration in accordance with
the UNCITRAL Arbitration Rules then obtaining. The arbitral tribunal shall be composed of three members
in excess of sixty percent (60%) and any such interest shall be simple interest only. The Parties
shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such controversy, claim or dispute.

23. PRIVILEGES AND IMMUNITIES

The privileges and immunities of the UN, including its subsidiary organs, are not waived.

FOR INSTITUTIONAL/CORPORATE CONTRACTS

24. CHILD LABOUR

UNICEF fully subscribes to the Convention on the Rights of the Child and draws the attention of potential suppliers to Article 32 of the Convention which inter alia requires that a child shall be protected from performing any work that is likely to be hazardous or to interfere with the child's education, or to be harmful to the child's health or physical, mental, spiritual, moral or social development.

25. ANTI-PERSONNEL MINES

UNICEF supports an international ban on the manufacture of anti-personnel mines. Anti-personnel mines have killed and maimed thousands of people, of whom a large proportion are children and women. Anti-personnel mines present a serious obstacle to the return of populations displaced from their residences by fighting around their villages and homes. UNICEF has, therefore, decided not to purchase products from companies that sell or manufacture anti-personnel mines or their components.

26. AUTHORITY TO MODIFY

No modification or change in this Contract, no waiver of any of its provisions or any additional contractual relationship of any kind with the Contractor shall be valid and enforceable against UNICEF unless provided by an amendment to this Contract signed by the authorized official of UNICEF.

27. REPLACEMENT OF PERSONNEL

UNICEF reserves the right to request the Contractor to replace the assigned personnel if they are not performing to a level that UNICEF considers satisfactory. After written notification, the Contractor will provide curriculum vitae of appropriate candidates within three (3) working days for UNICEF review and approval. The Contractor must replace the unsatisfactory personnel within seven (7) working days of UNICEF’s selection.

If one or more key personnel become unavailable, for any reason, for work under the contract, the Contractor shall (i) notify the project authority at least fourteen (14) days in advance, and (ii) obtain the project authority’s approval prior to making any substitution of key personnel. Key personnel are designated as follows:

(a) Personnel identified in the proposal as key individuals (as a minimum, partners, managers, senior auditors) to be assigned for participation in the performance of the contract.

(b) Personnel whose resumes were submitted with the proposal; and

(c) Individuals who are designated as key personnel by agreement of the Contractor and UNICEF during negotiations.

In notifying the project authority, the Contractor shall provide an explanation of circumstances necessitating the proposed replacement(s) and submit justification and qualification of replacement personnel in sufficient detail to permit evaluation of the impact on the engagement.

Acceptance of a replacement person by the project authority shall not relieve the Contractor from responsibility for failure to meet the requirements of the contract.
