against dangers arising from military operations against civilian objects, hospitals, relief materials and means of transportation,

Recalling the commitments of the High Contracting Parties to the Geneva Conventions of 12 August 1949 and the Additional Protocols thereto,

Stressing that the right to life constitutes the most fundamental of all human rights,

Condemning Israeli military operations in Lebanon, which constitute gross and consistent human rights violations of the Lebanese people,

Deeply concerned about the impact of the latest Israeli invasion of Lebanon on the Lebanese children,

1. Strongly condemns the grave Israeli violations of human rights and breaches of international humanitarian law in Lebanon;

2. Strongly condemns also the attacks and unwarranted killing of Lebanese children by Israel during its last invasion of Lebanon, which resulted in the death of more than 1,100 civilians, one third of which were children;

3. Stresses the right of and the need for Lebanese children to live a normal life, free from death, military invasions and destruction;

4. Expresses deep concern about the negative consequences, including the mental and psychological health impact of the Israeli military actions on the well-being of Lebanese children;

5. Condemns the deliberate use by Israel of cluster bombs in Lebanon, most of which were fired in the 72 hours immediately preceding the cessation of hostilities, which left over 1 million unexploded cluster bomblets that threaten the lives of Lebanese children and all other civilians, and adversely affect the early recovery efforts;

6. Calls upon the international community urgently to provide the Government of Lebanon with financial assistance in support of the national early recovery and reconstruction process, including the rehabilitation of victims, the return of displaced persons and the restoration of the essential infrastructure.
