No-nonsense Guide to Human Rights

Olivia Ball and Paul Gready

Commendations for the book:
"I commend to you The No-Nonsense Guide to Human Rights as a call to question, to think, to act, and to contribute." (from the foreword)
The Most Reverend Desmond M. Tutu Anglican Archbishop Emeritus of Cape Town 1984 Nobel Peace Prize Laureate

"Accessible without becoming superficial, Ball and Gready have an engaging style and impressive command of this important subject. More than simply a practitioner's handbook, The No-Nonsense Guide to Human Rights makes an intellectual contribution of its own to the field. This pocket-sized book is important reading for the novice and equally useful for the seasoned human rights practitioner."
