### Care-Related Concluding Observations

#### C. Violence against children (articles 19, 37 (a) and 39 of the Convention)

**Corporal punishment**

28. Despite the fact that the State party’s criminal law provisions prohibit different forms of violence against children, the Committee regrets that the State party continues to lack legislation explicitly prohibiting corporal punishment in all settings, including the home, institutions and all alternative care settings, as previously recommended by the Committee (CRC/C/15/Add.158, para. 27).

29. The Committee urges the State party to introduce provisions expressly prohibiting corporal punishment in all settings, and to strengthen its efforts to promote positive, non-violent and participatory forms of child-rearing and discipline.
